## Unbounded Music - Unlimited Audio Review of M10 Signature – written by Lincoln L. K. Cheng

Published on AUDIOTECHNIQUE 2012, May Issue 368

Deep hole of good sound. There is no difficulty for the review. It is so stunning that I just need to express what I felt. The performance of M10 Signature is beyond my imagination. It confirm the statement, “Unbounded Music; Unlimited Audio”.

### Conclusion of review:

- Superb detail.
- Superb bass reproduction.
- Superb musicality.

After the review, Lincoln bought the M10 Signature and it becomes his reference until today.

## Review of Silver Resistor line board for M10 Signature – written by Lincoln L. K. Cheng

Published AUDIOTECHNIQUE 2016, March Issue 414

- It is the first chapter of the ultimate upgrade process of M10 Signature.
  - After the upgrade, the improvement is direct and subtle.
  - Much more detail and extension of top and low ends.
    - Very elegant mid-range.
- This is a clear improvement on a platform which is beyond criticism already.
  - Unbelievable.
